3.1.11 3:06PM Mr. Co motions to approve of the minutes

3.1.12 3:06PM Minutes have been approved

3.1.13 3:06PM Ms. Tuason motions to discuss next agenda

3.2.1 3:06PM Ms. Angelo says when you upload the approved agenda remove the line numbers, and don't forget to write the date of the adopted. Chairs be prepared with the titles of your resolutions by Tuesday.

3.2.2 3:07PM A question is raised regarding deadline for the appointment matters

3.2.3 3:07PM Ms. Angelo says we're planning on doing it next week. Can I ask is it okay if kami nalang mag LA-IC, have it as a special session

3.2.4 3:08PM Ms. Mendez says there was a misinformation regarding the statement "galit na galit si Brother Ray regarding sa statement," and "umabot sa supreme court yung manifesto". Ms Mendez says "we talked to Ms. Nelca directly, she said 1st they stand with us regarding our stand sa Marcos burial, and they agree that the LA should talk about things like this, it means that we are aware. But 2nd hindi galit na galit si Brother Ray. Nagbibigay sila ng suggestion to make another committee for proof reading. Kailangan natin siya pagusapan who will be in the committee, who will proof read. What's clear about that is these students who will be in the proof reading committee will come from the LA or anyone na student, bawal admin. So may autonomy parin tayo regarding our resolutions. Misinformation yung galit na galit and yung umabot sa supreme court. Illogical siya na umabot sa supreme court, kasi hindi tayo involved party sa marcos burial.

3.2.5 3:11PM Ms. Angelo says we said sorry sa "whereas statement" kasi we forgot to put "students of de la salle university"

3.2.6 3:11PM Ms. Mendez says it was an honest mistake and they saw naman na it was an honest mistake because all throughout the manifesto, we stated that this was the stance of De La Salle University students and we don't have a say on who will be representing in the faculty area kasi were all aware of that. So they said okay, the only thing we have to do is make a committee and 2nd they're going to talk to stratcom regarding the things we will publish specially with the national affairs. Fact checking so yun lang." She said "tinanong rin namin what will happen kasi for example every Thursday 10pm tayo nagdedeadline diba, what if may napass ng 10pm, massaagot ba agad ng stratcom. Magmeeting sila this afternoon and they said naman na imake sure nila Ms. Nelca na sabihin na sumagot agad if ever. So content wise sa atin parin siya."

3.2.7 3:12PM Ms. Angelo says for the editing team, can I ask the rules and policies committee to be in charge of this this. You will set the reso but their suggestion is that before we will discuss it here nacheck na siya ng editing team.

3.2.8 3:13PM Mr Ngo asks if ever we have the editorial team effective ba siya immediately?

3.2.9 3:13PM Ms Angelo says once they pass the reso

3.2.10 3:13PM Ms. Mendez asks kanino nanggaling yung umabot siya sa SC

3.2.11 3:13PM Ms Angelo says kay Zed, kasi si Zed yung unang nakausap ni Ms. Nelca, then Zed told me.

3.2.12 3:13PM Ms Mendez asks kanino rin nanggaling na galit na galit si Brother Ray

3.2.13 3:13PM Ms. Angelo says baka exaggerated lang yung pagkapresent

3.2.14 3:13PM Ms Cruz says kinausap ko si Zed and si Reigner before to pass it to the office of the president. So I dont know why sinabi nila na umabot sa SC pero it was never at the top. I even emailed it to them, and even Reigner clarified, so why is the supreme court involved in this

3.2.15 3:14PM Ms. Mendez says hindi siya umabot ng supreme court, apparently kaya siya pina take down kasi its already being talked about in the supreme court there's this doctrine called: sub judice. Whenever something is being talked about in the supreme court you're not supposed to talk about it in the public but then kailangan parin natin siya iclarify kanila Ms. Nelca kasi hindi tayo involved doon sa law, involved lang doon is if we talk about arguments of the defending party, or the party na nagfile ng petition. Hindi tayo nagtalk about the arguments in our manifesto, we just talked about the stance as DLSU students. If it was uploaded on Sep. 13, our stance will not be in the basis on sino nauna, kasi nauna yung naiforward sa supreme court. Argument natin is if kasama ba tayo sa jurisdiction ng sub judice, so confirm pa sa legal council and kanila Ms Nelca

3.2.16 3:16PM Mr. Ngo asks how do we regulate with the editing? We already have the 3 committees tapos pili lang ang editing. If possible to have an exam

3.2.17 3:16PM Ms. Mendez says that's assuming from LA

3.2.18 3:16PM Ms. Angelo asks do you want this to be from the LA only

3.2.19 3:16PM Ms Mendez says depende kung alin yung mas efficient and alin yung mas maayos

3.2.20 3:16PM Mr. Ngo says we have to look pa the pros and cons if mangagaling sa LA

3.2.21 3:17PM Ms. Mendez says other suggestions na naisip namin kanina, is representatives from the media

3.2.22 3:18PM Ms. Angelo says rules and policies please take note

3.2.23 3:18PM Ms. Cabrieto motion to adjourn the session

3.2.24 3:18PM Session now adjourned
